

EVCP Organization

The Office of the Executive Vice Chancellor & Provost occupies a unique and important role at UCSF. The central administrative departments that comprise this office and its leader, Dan Lowenstein [1], support diverse interests and campus constituencies including faculty, students, and staff, as well as the community at large.

Academic Affairs [2]	Innovation Ventures [3]
Clinical Research Infrastructure [4]	International Students & Scholars Office [5]
Clinical & Translational Science Institute (CTSI) [6]	Library [7]
Ethics and Compliance [8]	Office of Research [9]
