

EVCP Espresso

As Executive Vice Chancellor and Provost (EVCP), I am pleased to share the perspective of the Office of the EVCP on numerous initiatives taking place at UCSF ? a dynamic environment unlike any other. So much of what we do is exciting and innovative, but excitement and innovation don?t come without challenges. *EVCP Espresso* provides insight into areas with significant impact on a cross-section of our academic population.

My goal is to make *Espresso* a regular monthly newsletter that not only is informative but also serves as a catalyst for your own observations and advice regarding what is going on at UCSF. Let me know if you have a topic you?d like to learn more about or an issue you?d like me to address. Please share your feedback with me at ExecutiveViceChancellor@ucsf.edu ^[1].
